Project: My ASHRAE Presentation from 8th November 2006

Betti,

Attached you will find a CD with the PDF-file of My ASHRAE Presentation from 8th November 2006. It is copyright protected so I would like to give permission to post it on the local ASHRAE website for information (reading) purpose only with all the necessary credits.

Thank you for the opportunity to present my case to the members of ASHRAE.

A handwritten signature in blue ink, appearing to be 'S. Tanner', is written over a vertical line that extends from the text above. The signature is stylized and includes a horizontal stroke at the end.
