## Radisson Blu Mall of America Visitor Parking Ramp

Self-parking in the South Ramp located directly underneath the hotel is \$16 per day, includes “in and out” privileges if the attendee or overnight guest goes to the hotel’s front desk, advises the front desk that he/she will need “in and out” privileges and pays the \$16 parking fee at the front desk; front desk then validates the ticket for “in and out” privileges or provides chaser tickets for the “in and out” privileges. Self-parking is based upon availability. Valet parking is available based upon availability at time of arrival for \$25 for overnight and \$10 for event parking.

## Mall of America East and West Parking Ramps

Complimentary self-parking is also available in the East and West ramps. If you are a registered hotel guest and are parking overnight in either of these lots, please bring the make & model of your vehicle, as well as your license plate number, to our front desk upon check-in. The Hotel team will inform the Mall of America team of your information. Mall of America’s team will tow cars which are parked overnight in those two ramps that have not been registered with the hotel as staying at the hotel on that same night. If you are an overnight guest of our hotel, our recommendation is to first check-in at our front desk and drop off your luggage. Then self-park your vehicle and fill out the required parking form with the required information and then turn it back into our front desk.
