

# Riverside Generating Plant Tour Information

1/30/18

- Please pass this information on to **everyone** in your tour group
- We are located in Northeast Minneapolis at:  
3100 Marshall Street NE  
Minneapolis, MN 55418
- As you enter the plant site, bear left. Stop at the fence by the guardhouse. At the security entry station, scroll down to find your tour contact and press the call button **or** call their cell phone if they have provided you with this information. They will respond with further instructions.
- When the gate opens proceed down the road to the visitor parking which is on the right side of the road; just before a brown brick building. Then look for door #6.
- Your tour guide will meet you at the plant building main entrance, which says "Riverside" in red letters over the door.
- Wear comfortable, closed toe, flat shoes, long pants (no shorts) for both men and women. The tour route includes travel on plant stairs and open floor grating. Hard hats and safety glasses will be supplied. **Due to safety regulations, anyone improperly attired will not be allowed on the tour.**
- The tour will take approximately 1 ½ hours.
- Please be prompt. Many times we delay or reschedule plant activities to accommodate your tour. If your group encounters departure and/or in-route problems please notify us at the contact number listed on the confirmation e-mail.
- Photography of the plant and plant site are prohibited. If you want to a picture of your group on the tour, let us know and we can arrange for a suitable location.
- Safety requirements limit this tour to the confirmed group size and to people 10 years of age and older.
- If anyone in your group has a medical or physical limitation that could affect ability to walk around and up stairs in an operating power generating facility, please notify us well before you arrive on the site.
